WE HAVE YOUR RENEWABLE ENERGY SOLUTIONS

THE EXPERTS IN HEAVY LIFTING

Hanes Supply has been splicing wire rope and manufacturing slings since 1930. Our experienced rigging experts can develop in-house solutions for your most challenging rigging plans.

We proudly manufacture our slings in the USA for the highest quality assurance and dependability. We offer wire rope slings, chain slings, nylon, polyester and round polyester slings, as well as hand tucked wire rope slings for the iron worker trade.

Additionally, HSI is an official SlingMax® dealer, offering products such as high performance Twin-Path® slings – the world's strongest and lightest slings on the market. Other specialty products include Gator-Laid®, Tri-Flex® and Gator-Max® Grommet wire rope slings and Sparkeater® heat-resistant slings.

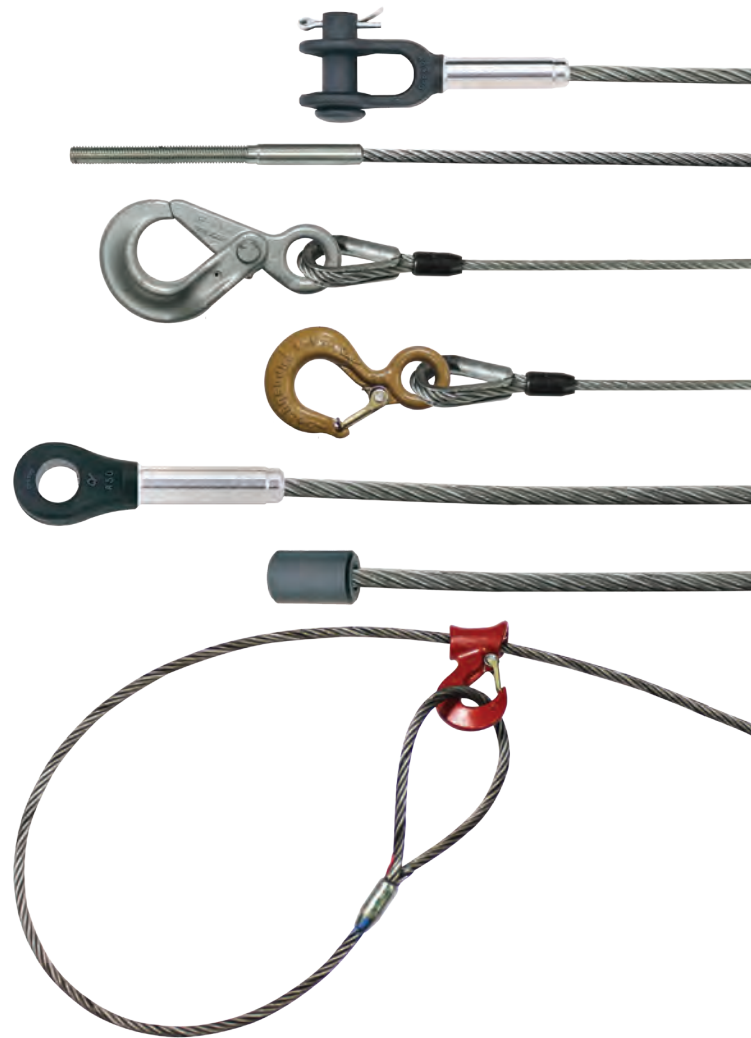

When it comes to rigging hardware, we have you covered. We offer a wide variety of fitting lines and options including Crosby®, Columbus McKinnon®, Campbell®, Skookum®, Van Beest®, and Actek®.

COMPLETE CONSTRUCTION AND INDUSTRIAL SUPPLIER

In addition to our rigging expertise, HSI stocks one of the largest inventories of tools and accessories, safety supplies, and fall protection. With our five retail branches, we are equipped to efficiently serve our customers on a world wide basis. Our knowledgeable sales associates take pride in delivering the best customer service to provide you with products from the brands you love and the services you need. **We build trust and relationships, earning your respect as a customer for life.**

QUALITY FOCUSED

Not only do we select vendors with high quality products, but we hold ourselves to high quality standards. Our Headquarters is **ISO 9001:2015 registered with our own in-house quality control program** to ensure we are constantly improving our processes in every aspect of our business. This ensures the highest of standards for our customers.

YOUR ONE-STOP-SHOP

CUSTOM FABRICATION

Can't seem to find anything "off the shelf" that fits your rigging needs? Custom sling fabrication is where we shine! We can custom design wire rope, chain, or synthetic slings to fulfill your most challenging requirements. We offer wire rope single part slings up to and including 3" diameter.

RENTALS

Hanes Supply offers a large inventory of rental tools and equipment ready to be picked up or delivered to your job site. Whether you are in need of individual products, or you are looking to save on a **complete equipment package** to be rented for a particular job, our rental department has the tools you need.

REPAIR SERVICES

Hanes Supply is an authorized warranty center with factory authorized/certified technicians. Quality workmanship and great customer service are our top priorities! We can service and repair electric tools, hydraulic and pneumatic tools, hoists, winches, small engines, slings and more!

FIELD SUPPORT

We offer **24/7/365** field support when and where you need it. Emergencies happen from time to time. We will come to your aid in those tight deadline situations, even if it's outside of the normal 9-5 work week. Rely on HSI to keep your project moving forward and on time.

INSPECTIONS

Our trained and experienced rigging and fall protection experts offer inspection services for all of your wire rope, chain, synthetic slings, rigging hardware and fall protection gear. Our inspection teams provide written records of our inspections to comply with the ASME B30.9 Standard.

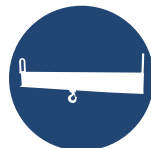

FIRE EXTINGUISHER SERVICES & SALES

Our full-service, mobile fire shop will come to you! *(Buffalo and Rochester, NY areas only)*. Services include annual and monthly extinguisher inspections, maintenance and repair, recharges, hydro-testing as well as safety training with live burn demos.

TESTING & CERTIFICATION

HSI offers proof and break load testing **up to 600,000 lbs.** including cycle loading. Testing comes complete with certifications. Additionally, we also offer magnetic particle testing as well as gas monitor calibrations and respirator fit testing services.

BELOW-THE-HOOK LIFTING DEVICES

Full support from Engineered Lifting Technologies (eltlift.com) - Offering **stock and custom lifters** including lifting and spreader beams, coil handling hooks, forklift attachments, best-in-class man baskets, and more.

BELOW-THE-HOOK LIFTING SOLUTIONS

BELOW-THE-HOOK LIFTING SOLUTIONS

Hanes Supply has full access to **Engineered Lifting Technologies**.

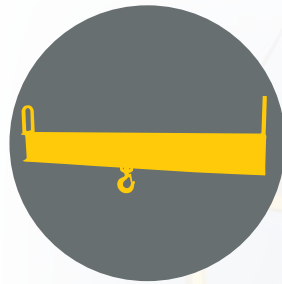

ELT designs, engineers, fabricates and tests below-the-hook lifting devices for various industries including construction, steel and metal fabrication, material handling and wind tower erection.

The engineering team designs each lifter in collaboration with the customer before it is released to the shop floor to be fabricated. This ensures that the product is crafted to their specific needs.

ELT's experienced engineers and skilled craftsman carefully monitor the project throughout all stages of the production process, resulting in a product that is built to exceed your expectations.

LOAD TESTING

WIND SOLUTIONS

Engineered Lifting Technologies offers a **patented wind turbine lifting system exclusive to Hanes Supply**. Designed to be a fast and safe solution, our wind tower brackets are the gold standard in wind turbine lifting!

Each Bracket Weighs Only 92 lbs.

- Alternatives are often over 300 lbs.
- Small size and weight offers superior ergonomics.
- Reduces required manpower to install and reduces crane time - Can be installed by one worker.

Adjustable Eccentric Inserts

- Replaceable inserts easily and quickly adjust to variances in hole tolerances "on-the-fly."

Two-Point Top Pick

- Eliminates the dangers inherent with using wire rope blocks to balance a four-point pick.
- Reduced number of brackets - Only four needed for entire lift.

Exceeds ANSI/ASME Requirements

- Zinc Dichromate plated body for outstanding corrosion protection.
- Nickel plated inserts.
- No load bearing welds.
- Tighter bolt clearance holes.

Designed to be Used with Slingmax®

- Twin-Path® slings offer the patented Check-Fast® system for inspection.
- Two individual paths offer superior safety in the event of a rip or tear.

MAJOR PRODUCT LINES

SLINGS

- Wire Rope Slings
- Chain Slings
- Wire Mesh Slings

SYNTHETIC SLINGS

- Flat Slings (Nylon, Polyester, Eye and Eye, Endless, Reversed Eye)
- Polyester Round Slings
- Wide Lift Slings

SLINGMAX® PRODUCTS

- Twin-Path®
- Sparkeater®
- CornerMax® Pads and Sleeves

RIGGING HARDWARE

- Rigging Fittings
- Hooks and Safety Latches
- Shackles
- Clevises
- Eye Bolts
- Hoist Rings
- Turnbuckles
- Wire Rope Clips
- Blocks/Sheaves
- Wear Pads

RIGGING, LIFTING, AND TRANSPORT COMPONENTS

- Wire Rope
- Wire Rope Assemblies and Fittings
- Natural, Synthetic, and High-Performance Ropes
- Chain

HOISTS & WINCHES

- Air, Electric, and Hand Operated Hoists
- Chain Pullers
- Winches

HYDRAULIC POWER SYSTEMS

- Bearing Pullers
- Cylinder and Pump Combination Sets
- Cylinders (Rams)
- High Tonnage Jacks
- Shop Presses

BELOW-THE-HOOK LIFTING

- Spreader Beams – Fixed and Adjustable
- C-Hook, Coil, Telescoping Wireless
- Remote Controlled Lifters
- Pallet Lifters
- Crane Forks
- Lifting Magnets and Tongs
- Sheet Lifters
- Suspended Personnel Platforms and Cages
- Load Indicator Devices
- Custom Lifters

MATERIAL HANDLING

- Contractor Lifts
- Drum Handlers
- Gantries
- Jib Cranes and Davit Cranes
- Machinery Rollers
- Mechanical and Hydraulic Jacks
- Hand, Pallet, and Platform Trucks
- Fork Lift Attachments and Platforms

Clamps

- Sliding Arm, Heavy Service, Bar Clamps, C-Clamps, Spring Clamps

FALL PROTECTION

A – Anchorage Points

- Concrete, Steel, Beams, Roof Kits, Vertical and Horizontal Lifelines, Permanent Roof Anchors, Ladder Systems, Climb-Assist

B – Body Wear: Harnesses

C – Connectors

- Shock Absorbing Lanyards
- Self-Retracting Lifelines (SRL's)
- Personal Fall Limiters (PFL's)
- Leading Edge
- 100% Tie-Off

LADDERS

- Step, Extension, Platform, Shelf, Manhole, Rolling, Fixed

SAFETY PRODUCTS

Eye, Hearing, & Face Protection

- Ear Plugs, Safety Glasses and Goggles
- Face Shields

Protective Clothing

- Arc Flash
- Gloves, Boots and Rainsuits
- Hi-Viz Shirts, Vests and Jackets
- Hard Hats

Respiratory Protection

- Gas Monitors
- Respirators – Half Mask, Full-Face, Disposable, and PAPRs

FIRST AID & FIRE SAFETY

- Safety Cans and Storage Cabinets
- Smoke and Carbon Dioxide Alarms
- First-Aid Kits

ANCHORS & FASTENING TOOLS

Concrete Anchors

- Mechanical – Wedge Anchors, Sleeve Anchors, Drop-In Anchors, Expansion Screw Anchors, Rod Hangers (Screw In, Cast in Place), Masonry Screw Anchors (Tapcon), Heavy Duty Screw Anchors

Chemical Anchors

- Acrylic and Epoxy

Powder & Gas-Actuated Fasteners

- Tools and Anchors

FASTENERS

- Nuts, Bolts, Washers
- Grade 8 Fasteners
- Stainless Steel Fasteners
- Structural Fasteners
- Coupling Nuts
- Threaded Rod
- Strut and Accessories

Screws

- Drywall, Self-Tapping, Socket Head Cap, Wood, Sheet Metal, Structural

HARDWARE

- Bolts: J-Bolts, U-Bolts, and Eye Bolts
- Swivels, Links, Pins, Pulleys and Snaps

HAND TOOLS

- Shovels, Hoes, Rakes, Forks, Scrapers, Tampers
- Axes, Mattocks, Picks, Mauls
- Wheel Barrows
- Chisels and Scraping Tools
- Screw and Nut Drivers
- Files and Chisels
- Concrete Finishing Tools
- Masonry Tools
- Drywall Finishing Tools

Bars

- Hickey, Pinch, Pry, Connecting, Wrecking, Digging, Grizzly

Hammers

- Standard, Tack, Sledge

Wrenches

- Adjustable, Ratchets, Sockets, Hex Key, Strap, Spud, Pipe, Erection, Combination, Chain, Striking, Basin, Open End, Torque, Crow Foot, Torque Multipliers, etc.

Pliers

- Side and Diagonal Cutting, Locking, Tongue and Groove, Slip Joint, Long Nose, Locking Clamp

Marking & Measuring Tools

- Markers, Pencils, Chalk Lines, Tape Measures, Scribes, Squares, Stencils, Gauges, Micrometers, Plumb Bobs, Levels, Calipers

Cutting Tools

- Utility Knives, Glass Cutters, Scissors, Bolt Cutters, Strapping Cutters, Shears, Wire Rope Cutters, Hand Saws, Hack Saws, Nut Splitters

Adhesive Application Guns

- Hot Glue, Solder, Caulk, Staple

Material Positioning

- Vises, Magnets, Hold Down Systems, Clamps and Wedges

Iron Worker Tools

- Bull and Drift Pins
- Pliers
- Tool and Bolt Bags
- Erection and Spud Wrenches

Sheet Metal Tools

- Punches, Aviation Snips, Shears, Crimping Tools

TOOL ORGANIZATION

- Organizers
- Tool Pouches
- Tool Benches, Tool Boxes, Job Boxes and Cabinets

CUTTING ACCESSORIES

- Abrasive Cutting Wheels and Cups
- Diamond Blades and Coring Bits
- Hole Saws

Drill Bits

- Step Bits, Split Point, High Speed Steel, Aviation, Cobalt, Carbide, Masonry, Hole Saws, Taps, Dies, Thread Repairing, Rock Bits, Whirlybird Bits, Drill Steel

Saw Blades

- Circular, Reciprocating, Hack Saw, Band Saw

ABRASIVES

- Grinding Wheels
- Cartridge Rolls
- Cones and Plugs
- Die Grinding Bits
- Clean and Strip Wheels and Discs
- Diamond and Abrasive Cup Wheels
- Surface Conditioning Abrasives
- Flap Wheels
- Fiber Discs
- Wire Wheels

PLUMBING EQUIPMENT

Tools & Maintenance

- Pipe Wrenches
- Drain Cleaners/Snakes
- Pipe Heaters

Diagnostics

- Drain Inspection, Cameras and Reels, Pipe Locators

Pipe Fabrication

- Threading Machines, Reamers, Roll Groovers and Pipe Bevelers

POWER TOOLS

Drills & Drivers

- Drill Motors, Impact Drivers (Electric, Battery, Pneumatic), Torque Meters, Drill Presses, Magnetic Drill Presses, Drywall and Decking Screw Guns, Roof Decking Systems, Hammer Drills, Rock Drills

Saws

- Circular, Cut-Off, Reciprocating, Jig, Band, Chop, Miter, Metal Cutting, Chainsaws, Ring, Panel, and Table Saws

Grinding/Sanding

- Angle, Die, Bench, Palm, Detail

Breakers/Hammers

- Demolition, Chipping, Rotary, Pneumatic, Rivet Busters, Pavement Breakers

Metal Working

- Shears, Nibblers, Peening, Scalers, Weld Flux Chippers

Outdoor Maintenance

- Leaf Blowers, Trimmers, and Chainsaws
- Water Pumps, Trash Pumps

Powered Applicators

- Caulk, Grease, Heat

DRIVING BITS

- Bit Tips, Bit Holders, Tamper Resistant Bits, Torx, Screwdriver Inserts, Clutch, Frearson Pozidriv, Socket Bits, Head Bits, Spanner Bits

MASONRY REPAIR/CONSTRUCTION

- Bagged Concrete, Bagged Mason Mix, MG Krete, Curing Blankets
- Precision Grout
- Floor Repair Materials
- Anchoring Cements

MRO

- Cleaners, Degreasers, Hand Cleaners
- Cold Galvanizing Compound, Spray Paints, Touch Up Paint, Paint Stick Markers
- Lubricants and Dispensers
- Oil Absorbents, Sweeping Compounds, Tape, Thread Lock

CONSTRUCTION

SUPPLY/JOB SITE OPERATIONS

- Poly Sheeting, Tarps, Bungee, Cordage, Tie Wire, Caution Tape
- Flashlights and Temporary Lighting
- Two-Way Radios
- Lasers

Power Supplies

- Generators, Fuel Cans, Extension Cords, GFCIs, Power Strips, Surge Protection

Pumps and Hoses

- Water Pumps, Trash Pumps, Suction Hoses, Discharge Hoses and Fittings
- Pressure Washers, Water Hoses and Fittings
- Ball Valves
- Buckets

Compressors

- Compressors, Air Hoses and Fittings, Regulators, Gauges, Lubricators, Hose Reels
- Hydraulic Hoses and Fittings
- Heaters, Fans, Ventilation

Safety

- Locks
- Lockout/Tagout
- Traffic Cones
- First-Aid Kits and Fire Extinguishers
- Air Movers and Balancers
- Gas Detection

Spill Control

- Berms, Industrial Absorbents

FIRESTOP

- Elastomeric and Endothermic Caulks, Collars, Tape, Gaskets, Mineral Wool, Spray Seal

WELDING

- Blankets, Gloves, Helmets, Goggles, Outfits
- Electrodes, Soldering Wires, and Welding Tips
- Propane Torches, Hoses, and Regulators

TRAINING & SEMINARS

Our safety specialists are available to conduct comprehensive training seminars at your facility. Topics include rigging, safety, fall protection, proper tool use, OSHA standards and more. Ask about our fully equipped **Fall Protection Demo Trailer** for live demos of fall protection systems in action.

FALL PROTECTION TRAINING PROGRAM

Our comprehensive training program covers an in-depth discussion and demo of the following:

Equipment Inspector Course

- Focused on providing the attendee the knowledge needed to adequately inspect fall protection equipment

Authorized Person Course

- Designed to give the attendee the information and resources needed to be an Authorized Person in regard to Fall Protection

ABC's of Fall Protection

- Great introductory/refresher course that covers the ABC's – selection and installation of suitable ANCHORAGE, proper selection and fitting of BODYWEAR, options and limitations in available CONNECTORS – as well as the option of a live drop and rescue at height demonstration.

RIGGING SAFETY TRAINING PROGRAM

Our rigging safety seminars are an introduction to safe lifting practices intended to encourage worker safety and education. The length of the program can be tailored to your needs. Topics include:

Review of ASME B

- Overview of safety codes and standards covering cranes and rigging equipment.

Equipment Selection

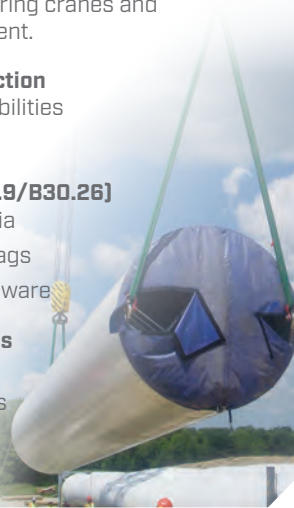

- Hardware capabilities
- Hitch selection

Inspection [B30.9/B30.26]

- Rejection criteria
- Identification/tags
- Slings and hardware

Safe Applications

- Share of load
- Lifting at angles

IF YOUR TOOLS AREN'T WORKING... NEITHER ARE YOU!

Prevent unnecessary downtime and cost by using HSI's repair department! Nothing is more frustrating than having a tool go down during the middle of a job. Our repair department can spare you the expense replacing the tool if it can be repaired.

We Can Repair and Service the Following:

- Slings and Chain
- Wire Rope Assemblies
- Hoists: Wire Rope and Chain
- Winches
- Hydraulic Tools
- Fire Extinguisher Refills
- Electric Tools
- Power Tools
- Pneumatic Tools
- Small Engines
- Pipe Threading Equipment
- Re-sharpening of Mag Drill Bits

**CAN'T FIND IT?
