THE EXPERTS IN HEAVY LIFTING

Hanes Supply has been splicing wire rope and manufacturing slings since 1930. Our experienced rigging experts can develop in-house solutions for your most challenging rigging plans. **We proudly manufacture our slings in the USA** for the highest quality assurance and dependability. We offer wire rope slings, chain slings, nylon, polyester and round polyester slings, as well as hand tucked wire rope slings for the iron worker trade.

Additionally, HSI is an official SlingMax® dealer, offering products such as high performance Twin-Path® slings – the world's strongest and lightest slings on the market. Other specialty products include Gator-Laid®, Tri-Flex® and Gator-Max® Grommet wire rope slings and Sparkeater® heat-resistant slings.

When it comes to rigging hardware, we have you covered. We offer a wide variety of fitting lines and options including Crosby®, Columbus McKinnon®, Campbell®, Skookum®, Van Beest®, and Actek®.

COMPLETE CONSTRUCTION AND INDUSTRIAL SUPPLIER

In addition to our rigging expertise, HSI stocks one of the largest inventories of tools and accessories, safety supplies, and fall protection. With our five retail branches, we are equipped to efficiently serve our customers on a world wide basis. Our knowledgeable sales associates take pride in delivering the best customer service to provide you with products from the brands you love and the services you need. **We build trust and relationships, earning your respect as a customer for life.**

QUALITY FOCUSED

Not only do we select vendors with high quality products, but we hold ourselves to high quality standards. Our Headquarters is **ISO 9001:2015 registered with our own in-house quality control program** to ensure we are constantly improving our processes in every aspect of our business. This ensures the highest of standards for our customers.
