Stop Sale | SR 430 and SR 450

Effective immediately, please stop sales of all **SR 430 and SR 450** backpack sprayers (part numbers 4244 011 2601 and 4244 011 2643) **between serial number 369190385 – 370331198** that may be in your inventory.

During quality checks, deviations were found in the manufacturing process of the flywheel. The issue is being investigated.

SR 430 and SR 450 machines outside the specified serial number range are not affected.

The potential issue is limited to a specific supplier's flywheels. Flywheels used in production of BR 350, 430, 450, 500, 600, 700 machines and spare parts (4282 400 1200) are produced by a different supplier and are not affected.

Additional information is forthcoming. If you have any questions, please contact the Northeast STIHL Tech Services department.
